CDL CLASS A DRIVER

Chemstream, Inc. is a national leader in chemical sales and services across the oil and gas and water treatment industries, and is headquartered in Homer City, PA.

Location: Mingo Junction, Ohio
Job Type: Full-time
Salary: Competitive, Based on Experience

Job Description:
Chemstream CDL Driver is responsible for safely operating a truck with a capacity of at least 26,000 pounds Gross Vehicle Weight. This position is responsible for deliveries and maintaining a safe, clean and well organized work environment; loading and unloading of oilfield chemicals, and ensuring quality control and safe operations during all aspects of the operation.

Job Duties:
- Transport equipment to and from customer locations
- Load and unload tanker as required
- Rig up and rig down equipment - unloading and positioning equipment on location
- Class A CDL driving experience –
- Tanker Endorsement
- Hazmat preferred but not necessary.
- Familiarity with driving on lease roads
- Ensure that trucks have proper and current inspections
- Compliance with all D.O.T. requirements
- Keep all paperwork in correct order and ensure that all transactions are documented
- Make all deliveries on time while maintaining safe driving
- Must understand and comply with all safety rules and company policies

Requirements:
To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required:

- Must be over 21 years of age
- Must possess valid Class A CDL driver's license and be eligible to drive a company vehicle according to insurance guidelines
